

**AMENDMENTS TO THE CLAIMS:**

This listing of claims will replace all prior versions, and listings, of claims in the application:

**Listing Of Claims:**

---

1. (Currently Amended) A protective motorcycle suit comprising:
    - at least one airbag; and
    - means for coupling the at least one airbag to a trigger device attached to a motorcycle, the means for coupling including at least one coil for receiving power and at least one radio station for transmitting data [transmission] to the trigger device.
  2. (Original) The protective motorcycle suit according to claim 1, wherein the at least one coil is situated in a seat area of the motorcycle suit.
  3. (Original) The protective motorcycle suit according to claim 1, wherein the at least one radio station accommodates transmission in the microwave range.
  4. (Currently Amended) A device for triggering at least one airbag [for a] contained in a motorcycle suit, comprising:
    - at least one sensor on the motorcycle for detecting a collision;
    - a radio station for receiving data from a transmitter provided in the motorcycle suit;
    - a trigger device adapted to be connected to the at least one sensor and to the radio station; and
    - coils in seat areas of the motorcycle to allow power to be transferred.
  5. (Original) The device according to claim 4, further comprising means for detecting seat occupancy.
  6. (Original) The device according to claim 5, wherein the means for detecting seat occupancy functions by measuring a phase shift of a respective one of the coils.
